## *Premier Merchant Service*

Our Premier Service has been designed to minimise support costs, for Merchants who possess a basic level of IT and web knowledge. Using our simple instructions and e-mail support, you can gain access to a wealth of potential on-line customers. This is the ideal, low cost approach, to gauging and developing your on-line campaigns.

### Key Features

- **Unlimited access** to our network of **top affiliates** to promote your goods/services.
- **No monthly fee** for the first month.
- **Free set up banners** to enhance your online image.
- A **low monthly system access fee** - £100. [After 1st month]
- A **low set up charge** - £500.
- A **flexible deposit/float** – £300 min.  
[This is **your** money, held on account, to guarantee commission payment]
- A maximum spend [excluding commission] of **£1000 to advertise on line for 6 months**.  
[This comprises £500 set up fee, plus 5 months @ £100 per month]
- **Market leading**, detailed and accurate 'real time' **reporting** on the success of your program.
- Access to our regularly updated guide on the features of our systems and how to use them.
- Access to our imminent **market leading** product feed system.
- A **checklist of key points**, from our unrivalled ecommerce experience, which will allow you to increase the success of your program.
- A **step by step guide** to the stages involved in setting up your program.
- A **step by step guide** to installing your tracking codes and carrying out a test sale.
- A specific email address for questions and feedback. [Monitored by the Premier account manager]
- Access to **ecommerce consultancy** at attractive rates, as your program grows.
- Participation in our **unique cash flow system**, which encourages affiliates to promote well funded Paid On Results merchants.
- Benefit from **our excellent reputation**, anti-adware, anti-spyware and anti-piracy policies, which affiliates value highly.
